ORDER EXTENDING DEADLINE FOR FILING PROOFS OF CLAIM

On September 27, 2001, the Bankruptcy Noticing Center, at the request of the Clerk of the Court, served on various entities and interested parties a Notice of the Need to File Claims (Document # 139). The Notice incorrectly listed the Debtor as “George L. Young Farmers Bank of Northern Missouri and State Savings Bank of Iowa.” (sic) On the same date, the Bankruptcy Noticing Center apparently served a Proof of Claim form on the same entities and interested parties (Document # 140). This form listed the Debtor as “George L. Young and Rio Timba, Inc.” Both documents were therefore incorrect in substantial respects. Additionally, the documents were sent to a very limited number of entities and interested persons – only those who have entered an appearance – and not to all creditors and parties in interest, inasmuch as the Debtor’s schedules had not yet been filed. Both documents indicated that the filing deadline for proofs of claim was December 31, 2001.

After a hearing on the Trustees’ Motion to Establish Procedures for Determination of Ownership of Livestock (Document # 103) on October 10, 2001, the Court entered an Order Establishing Procedures for Determination of Ownership of Livestock (Document # 173), in which the Court extended the deadline for filing proofs of claim to January 31, 2002. Accordingly, it is necessary that all creditors and parties in interest be notified of the extended filing deadline, and that all creditors and parties in interest be provided with correct Proof of Claim forms.

Therefore, it is

ORDERED that the deadline for the filing of proofs of claim with the Court be and is hereby extended to **January 31, 2002**. It is

FURTHER ORDERED that the Clerk of the Court shall prepare an amended Proof of Claim form and an amended Notice of the Need to File Claims and shall forward copies of such documents to the Trustee, Robert A. Pummill, who shall serve both documents on all creditors and parties in interest as shown on the Debtors' mailing matrix, on all other creditors and parties in interest who have entered their appearances or have requested notices herein, and on all other persons or entities who the Trustee believes have an interest in these proceedings. It is

FURTHER ORDERED that the Trustee shall serve a copy of this Order on all of the aforementioned parties and entities at the same time he serves the amended Proof of Claim form and the amended Notice of the Need to File Claims, and that the Trustee file a certificate of service evidencing such service within 10 days of the entry of this Order.

SO ORDERED this 11th day of October, 2001.
